Mattapoisett Post Office Honors Firefighter

In conjunction with the launch and dedication of the new "Heroes of 2001" stamp, the Mattapoisett Post Office presented local hero Justin Dubois of the Mattapoisett Fire Department with a special plaque in recognition of his recent efforts to assist a woman in New Bedford.

"This is why we are gathered here today, because Justin Dubois went out of his way to lend help to a stranger," said Susan Borges, Officer in Charge at the Mattapoisett Post Office. "He did this without regard to his safety. With this act of bravery, I would like to present this plaque to Justin today in honor of all our fellow American heroes."

The presentation was made during "Customer Appreciation Day" at the Post Office this past Tuesday, June 11. The new "heroes" first class stamp — which depicts the now-famous scene of firefighters raising the Stars and Stripes — will be sold at a rate higher than standard first class stamps, with additional proceeds being used to provide assistance to families of those injured or killed during the September 11 terrorist attacks.

Mattapoisett Music Year in Review

By Stan Ellis

Old Hammondtown School

Both the Old Hammondtown Concert and Jazz Bands have had an exciting and productive school year. The Concert Band began its year by performing at the Veterans Day ceremonies in November. In December, they played for the Annual Christmas Tree Lighting in Shipyard Park. This year, Old Hammondtown also had a wind ensemble consisting of 12 members from the Concert Band and their debut performance

was at the Tree Lighting.

Both bands also performed a number of favorite holiday songs to a very festive audience. Also in December, the Concert Band performed at OHS for their annual Holiday Concert along with the Jazz Band and OHS Choir.

On April 6, 2002, the Concert Band again performed at the MICCA (Massachusetts Instrumental and Choral Conductor's Association) competition and for the tenth time received a gold medal. This gold medal enabled the band to play Ozawa Hall in Tanglewood on May 12, 2002. The band also performed at the annual FORM Concert. In addition, the band played for the opening of the Little League Baseball Season on April 27. Also in May, the Concert Band and Wind Ensemble performed their spring concert. This concert, which is usually held at the end of June, was six weeks early because of the

construction which is currently being done at Old Hammondtown School.

On Memorial Day, the Concert Band with the addition of the new fourth grade players performed at the services at the Mattapoisett Library and along the parade route. Flag Day at OHS will finish out the year for the band.

The Old Hammondtown Jazz Band was equally busy. They began their year at the Annual Holiday Concert. In March the band gave a clinic at the Sheraton Fercroft in Danvers for the All-State Music Convention. On April 29, 2002 they performed at the Science Museum in Boston. On May 9, the Jazz Band performed at the Annual International Association of Jazz Educators where they received their tenth gold medal in a row! The Jazz Band once again performed for the Women's Guild at the Congregational Church in Mattapoisett and performed for the Sippican Health Care Center in Marion and will be playing for the Veterans Administration Hospital in Brockton for their Annual Flag Day Cookout. Of course, the band performed at the Annual Spring Concert with the Concert Band and Chorus.

ORR Junior/Senior High Schools

I was extremely fortunate this past school season to rehearse, conduct and write for the ORR High School Jazz Band and the ORR Junior/Senior High School Jazz Combo.

The High School Jazz Band started its year with the High School Holiday Concert on December 11, 2001. On January 19, 2002, the band competed at the Berklee School of Music's Annual Festival and came in second in Class B. In addition, the band received \$3,000 in scholarships for students that might want to participate in the Berklee Summer Program. Two students, Trevor Kellum and Derek Eilertsen, auditioned for scholarships for the Summer Program. Trevor received a full

March was an exciting month for the band. On March 5, they competed at the International Association of Jazz Educators South Coast Festival and received a gold medal. This win allowed the band to compete at the IAJE's state finals held at UMass Lowell on March 9. They once again received a gold medal and this enabled the band to perform at the Hatch Shell on the Esplanade in Boston on May 26 along with all the other gold medal bands and choruses in the state. On March 23, the band competed at the Clark Terry University of New Hampshire's Jazz Festival where they placed third.

On April 4, 2002 the band performed at the Night of Jazz at ORR High School along with the Combo, Junior High Jazz Band under the direction of Jim Farmer, and the Jazz

Chorus under the direction of Chris Chambers. Also on April 24, the band played for the Arts Night at ORR.

In May the band performed at the VFW in Marion for the Marion Seniors and the Sippican Health Care Center in Marion. On May 22 the band performed at the High School Pops Concert. On May 29, they taped a cable TV show for the award-winning Cape Cod Musicale and on May 31 performed at the Kittansett Country Club in Marion for Superintendent Betty Quinn's retirement party.

The ORR Junior/Senior High Combo also had an exciting year. The band competed at Berklee on January 19 but was unable to compete for anything but comments because two members are junior high school students. However, they received some wonderful comments from the judges.

Early in the year the Combo also received some recognition when one of their recent CDs was played by WGBH Jazz DJ Steve Charbonneau. On March 23, the combo competed at the University of New Hampshire and won first place. Judge Herb Pomeroy, famed trumpet player and retired Berklee professor, had some wonderful comments about the band.

In April they performed for the Night of Jazz at ORR. DJ Steve Charbonneau hosted the evening and alumnus Bill Jones, now a well-known jazz player, performed along with New Bedford's own Rick Britto and all the ORR bands. On April 25, the combo competed at the IAJE Combo and Chorus Competition at Worcester Polytech and once again received a first place win. The night before the group performed a gig at the ORR High School Arts Night.

I would like to thank everyone for the overwhelming show of support. This includes ORR and OHS administration, the FORM organization, town and state officials, the Friends of

"Music Makers"

The Hatch Shell Experience

By Stan Ellis

It was Sunday, May 26 and the weather forecasters had predicted rain. Members of the award-winning ORR High School Jazz Band were arriving at the band room dressed in their formal "gig" attire, some still finishing up a quick breakfast, some still looking for that first cup of coffee, some still looking for the music for today's performance. "It's too early, Mr. Ellis! What will the sound be like on that stage? I can't find my tie." All questions and comments hurled at me from tired yet

excited students about to perform for their first time on the Esplanade stage in Boston — *the* stage where the Boston Pops performs their July 4 extravaganza.

The bus arrived early from the Tremblays terminal. A coach bus, not a school bus, thanks to the generosity of FORM and ORR High School. Russ, one of my favorite drivers, was on hand to guide us through the wilds of Boston traffic and the big dig, although I had the feeling that the traffic wouldn't be too frantic on Sunday. Our only problem would come on Storrow Drive where buses are usually not allowed to drive. A quick call to the Metropolitan District Commission solved our dilemma. We could go as far as the Shell and park on the inner lane, which would be closed off to traffic. "Okay, let's get on the bus. Does everyone have music, instruments, reeds, slide oil, valve oil? Great! Let's go." We were on our way.

The clouds seemed to be descending upon us, giving us a good drenching just around the Brockton area. However, as we reached the southeast expressway and began to view Boston's skyline, the clouds dissipated and the sun began to shine. This was going to be a great day, I could tell.

We arrived at the Hatch Shell early. Boston Latin High School band director Paul Pitts was setting up the stage. I offered the services of our band members and along with the Boston Latin members we stocked the stage with chairs and music stands. The drum set needed tuning, conga drums, amplifiers and electric piano all needed to be placed in their correct positions. A mild, refreshing breeze blew across this venerable stage and the sun pushed the clouds back to the farthest point on the horizon. Nothing but blue skies from now on.

This day was for bands and choirs that had received gold medals in the Jazz Educators State Finals and was the

culmination of an exciting competitive year for the ORR Jazz Band. At 12:00 noon the New Bedford Jazz Choir took the stage in what proved to be the beginning of some exceptional performances that day. ORR band members spread throughout the grassy area in front of the Shell, keeping one ear tuned in to the performances and one ear ready to hear the call to action. That call came at 1:40 pm, just as Boston Latin High School took the stage.

Warm-ups and rehearsals are held in small rooms beneath the Hatch Shell stage. The short twenty minutes spent in that room was perfect for our band members. They had been primed and ready to do this gig for a long time. At 1:57 pm ORR — one of seven bands to perform that day — entered the Hatch Shell stage ready to wow the audience in attendance.

A minor sound check of bass and guitars was the first order of business. That done, I turned to lead alto saxophonist Trevor Kellum and asked if he was ready. "Gerogia on My Mind" was the first arrangement. An alto feature, Trevor was to lead the band and I was to leave the stage. Once below the stage it was impossible for me to hear how the band was performing, but I knew that this band was top-notch and that I really had nothing to fear. The final chord of "Georgia" and applause reached me and I stepped onto the stage once again. The next song was "Well You Needn't" with solos by Trevor, tenor sax man Greg Ross, Nick Gordon on trumpet, drummer Derek Eilertsen, and featuring a sax solo section.

Turning to Derek I pointed and once again left the stage. Derek counted the arrangement off and ORR was off to a fast-paced, swining good time. I again reached the stage after audience approval, bowed, and led our band off. "How did it sound out front? I couldn't hear myself. The monitors weren't working. Did we play okay? What a great experience! What a stage! What a great day!" All these comments came in a flurry as we descended the stairs to the rooms below.

Once packed up, we again were free to listen to the rest of the bands and learn how our audience out front felt about our performance. The overwhelming response was that our band was definitely one of the best of the day and these comments came from not only our parents, but from band directors, parents and band members from other towns as well as MDC

officials. Everyone agreed, ORR had arrived at the Hatch Shell ready to put on a winning performance. It was a very proud day for us all.

For me, the bus ride home was a time to reflect and be thankful for such a great year with a great bunch of students. It was also a time for me to ponder the question of why, when budgets become tight and funding from the state is not as forthcoming as it could be, that cities and towns target music departments as a way to save money? The Hatch Shell experience and other similar experiences, such as performances at Tanglewood and Symphony Hall by school groups, are important to the growth of students as well as great publicity for the towns of those groups. We at ORR and Old Hammondtown are fortunate that our townspeople and administration support our musical organizations and will continue to do so throughout the coming years.

by Chairman Patricia Ryan. Also present were Selectman Naida Parker, Selectman Richard Nunes, and Town Administrator James Huntoon. Administrative Assistant Veronica Lafreniere was not present for the meeting.

There being no meeting minutes to approve, the board reviewed incoming correspondence for the week, beginning with a letter from Jeff Osuch on behalf of the Council of SEMASS Communities. The board agreed to send a response to Mr. Osuch expressing their support for the organization.

AT&T Broadband submitted a letter regarding the town's policy for payment of Police Detail work. Chairman Ryan explained that they devised a policy some time ago wherein to guarantee payment, every third party police detail was to be pre-paid with a few exceptions, among them: AT&T Broadband, Barnes Tree Service, N-Star, and Verizon. "We put money into a seed account," she said. "We had a group that was exempted from having to pre-pay, and one of those members was AT&T Broadband."

Apparently, AT&T Broadband occasionally subcontracts their work out to other vendors, and Chairman Ryan suggested these vendors also be allowed to be exempt from pre-payment. But after discussing this with the Chief Dispatcher, she said it might be better to revert back to invoicing everyone unless lack of payment dictates otherwise.

"When I had a conversation with (the Chief Dispatcher), she's not comfortable with handling money ... (and) the busiest time for dispatch is in the morning," Chairman Ryan said. "We're going to try to suspend the present policy and do this in reverse. We'll keep track of anyone who doesn't pay in that 30-day cycle, and if they don't they'll go on the pre-pay list. If they don't (pre-pay), they can't do the work."

"If it just starts becoming a problem where we're

chasing people for not paying, we'll take them off the list," Selectman Nunes said. "If they can't insure their contractors, I'd take them off the list, too."

"The policy is going to apply to everybody now," Mr. Huntoon clarified. "There isn't going to be an exemption list anymore."

In order to give vendors even more incentive to pay the invoice within 30 days, Selectman Nunes also suggested either a higher interest rate or a flat late fee. With that, the board unanimously voted to institute a \$25 late fee for any bills which are not paid within 30 days. They also voted to suspend the existing pre-pay policy for all vendors contracted by AT&T Broadband and also for any emergency situations which may arise, as per a suggestion from Police Chief William Przybylek.

At 7:10 pm the board met with Police Chief Przybylek to discuss the Early Retirement Incentive program offered by the Commonwealth of Massachusetts which was recently adopted at the Annual Town Meeting. Chief Przybylek is eligible to take advantage of this program and expressed interest in applying for consideration.

"What I would like to do is just see what's out there in the other categories and who might be interested," Chairman Ryan said. "We know there's only one (person) in (your) category. Perhaps the thing to do is to (set) an early cutoff date. If people in the schools want to take advantage of it, the schools need to know so they can

hire (a replacement). I would put a letter in all the payroll checks for anyone who is (interested) to notify us by July 22 of their intent to take advantage of the early retirement."

With that, the board unanimously voted to allow the sole person eligible in Category 4 — that being Police Chief Przybylek — to avail himself of early retirement under Massachusetts General Laws. They also voted to set the cutoff date as Friday, September 13, 2002 for town employees to exercise the early retirement incentive. Those who do are required to cease employment by January 31, 2003.

At 7:35 pm the board met with Building Inspector Robert Francis regarding his Building Commissioner position and the status of the town's Zoning Enforcement Officer (ZEO) position.

"A number of years ago, the board voted to separate the Building Inspector's position and the Zoning Enforcement Officer," Chairman Ryan said. "According to what I've read, that can't be done ... legally the person has to be licensed. What was done was in the past. We have

certain things that have to be done now, and we need them to be done in cooperation with other boards and I'm hoping that we're going to be able to come up with a method of handling the Zoning By-Law enforcement."

Mr. Francis was upset and said he wanted to "address some of the statements which were made at the last meeting" regarding the ZEO position, since he wasn't present.

"The separation (of Building Commissioner and ZEO) wasn't my request — it wasn't anything I wanted done," Mr. Francis said. "I questioned the legality of it at the time. The Board of Selectmen went out and had a by-law change."

Mr. Francis said he felt the by-law, as worded, conflicted with the state statute.

"Can the town make a by-law which supercedes (state law)?" Chairman Ryan asked, admitting it was the first time she scrutinized the wording. "What we're trying to do is fix the mistakes of the past."

"If Kopelman and Paige reviewed it and blessed it ... we should have current Town Counsel review it and see if they made a mistake," Selectman Nunes suggested.

"I want things cleared, because my name has been muddled around a bit (in the press)," Mr. Francis stressed. "I'm defending what's happened the last seven years. I acted by what the Selectmen told me to do. I'm following orders ... and to get chewed up over this, I wanted to let you know I'm just doing what I was told."

"If we don't appoint anyone else (as ZEO), it

defaults to the Building Inspector," Selectman Parker added. "This is not something which is unheard of."

"There is no license required," Mr. Francis corrected. "To be a Building Inspector or a Zoning Enforcement Officer, you don't need a license. You just have to be certified. There's no licensing required ... that's a misnomer. I just want the people in town to know I'm not negligent in my duties."

"When I get this slammed in my face ... that I'm supposed to be the Zoning Enforcement Officer (ZEO) for Chapter 40B, well, I was told not to," Mr. Francis said.

"In my opinion, what was done then was not done very nicely," Chairman Ryan agreed. "We don't know yet if it was legal or not, and if it was allowable, shame on them. If it wasn't allowable, that opens up a whole other can of worms. What we're trying to do is set up a system now so everyone knows Zoning Enforcement goes to Bob Francis, the Building Commissioner."

"I would like this by-law to go back to Kopelman and Paige," Selectman Nunes suggested. "They should stand behind their word ... we passed a by-law based on their legal advice. If this by-law is correct, it seems to me we can appoint someone other than the Building Commissioner as Zoning Enforcement Officer."

"If you're saying this by-law is wrong, we can either correct the by-law or reinstate me (as ZEO) with full powers including the use of Town Counsel and being able to act independently without political influence," Mr. Francis said. "I will do the job as well as I did seven years ago before all this baloney happened."

With that, the board unanimously voted to reinstate Mr. Francis as ZEO, effective July 1, 2002.

When Selectman Nunes asked him if he would be able to commit to the additional ZEO duties, Mr. Francis said it would require a lot more time.

"You're putting a lot of extra work on my shoulders," Mr. Francis said. "I'm working Saturdays and Sundays as it is now."

"We've solved only part of it (and) I do understand your problem during the school year," Chairman Ryan said. "I think we need to get some legal opinions about what has been done. If that by-law is correct, we're fine. If it's not, then we're stuck."

In other matters, the board:

- Reported on a recent meeting with representatives of Marion, New Bedford and Rochester regarding water usage. The City of New Bedford contracted to draw water from Rochester which is then treated at their facility and used for their own residents and others. "(New Bedford is) actively soliciting other communities in order to utilize the capacity at that plant," Chairman Ryan said. "We only get \$16,000 a year from New Bedford — that was negotiated by the Board of Selectmen (years ago)."

Selectman Nunes was concerned with that arrangement and wanted to know if the town could renegotiate the water rights contract or, maybe, go into

business like New Bedford and sell water rights directly to other communities.

"I'm hoping as we begin to learn more and discuss it, we'll be able to plan for the future of Rochester, to assure that we'll have an adequate water supply," Chairman Ryan said. "The important thing is to find ways to ... plan for the future."

- Noted there are openings on the Housing Opportunity Partnership (HOP) and the Personnel Board and interested residents should submit letters to: Board of Selectmen, Rochester Town Hall, 1 Constitution Way, Rochester, MA 02770.

- Received payment in lieu of taxes from SEMASS in the amount of \$244,382 representing 97,851 tons of trash collected during the month of May, 2002.

- Received a letter from Paul Colarusso of Colarusso Corporation commending Building Department Clerk Isabel Borges for her "dedication to the purpose of her job and her unbiased effort to help those parties who rely on that office." The board voted to place the letter in Ms. Borges' file and forward a copy to Building Inspector Robert Francis.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:55 pm.

ORR Baseball

The Old Rochester Regional High School Baseball season ended recently. They just made it into the State Tournament, with ten wins and ten losses. The team had one more game left in the season and they had to win it to make it to the tournament. The game they had to win was a game against Apponequet. ORR defeated Apponequet 7 to 2. In that game Pat O'Conner and Justin Watton did very well. O'Conner hit a three-run home run, and Watton pitched the whole game. Watton not only pitched the entire game, he struck out 12 people.

In the first game of the State Tournament, ORR overpowered Bellingham, 18 to 2. Tyler Middleton had 6 hits, and Justin Watton and Tim Schuyler pitched. Watton pitched 4 innings and schuyler pitched 3. Watton

also got 4 hits that game.

The second game of the Tournament was against **Milton**. **Tyler Middleton** did an outstanding job pitching a complete game. ORR was down at the top of the seventh inning. The team came back that same inning and score 3 runs to beat Milton, 8 to 6.

The win against Milton brought the team to another game in the Tournament against **King Philip**. This game, sadly, brought the boy's baseball team season to an end. Though Old Rochester had the lead in the sixth inning, King Philip came back and tied in the bottom of the seventh. Then, the teams had to go into an extra inning. In the eighth inning King Philip pulled ahead and scored the winning run. **Tim Schuyler** and **Pat O'Conner** did great. Schuyler pitched 5 innings, and Schuyler hit a three-run home run.

Although the ORR Baseball Team only made it 3 games into the tournament, all players did very well. **Tyler Middleton** helped the ORR effort by pitching and playing centerfield. He was also an excellent batter. Great batters this season were **Pat O'Conner**, **Troy Ferguson**, and **Josh Fergie**. Ferguson batted over 300 and did well at shortstop. O'Conner, a tenth grader, hit 6 homeruns this season. **Mike Olival** was a good leader for the team, who played catcher. **Chris Bobola** was a fine second baseman, and **Tim Schuyler** pitched well, too. ORR's record was 12 wins and 11 losses. In the **South Coast Conference** they were 8 wins and 8 losses.

Galileo's Thermometer

During the scientific revolution Galileo discovered that as a liquid's temperature increases, its buoyancy decreases.

His findings were used to fashion an unusual and interesting thermometer showing from 16-25° C (60-78° F). Sealed glass spheres with finely calibrated

counterweights float up and down in a non-toxic liquid sensitive to temperature. Floating up and down, the lowest floating sphere of the top section indicates the actual room temperature. The instrument's

Latin name is Termometrolento, which translates as 'Slow Thermometer.' The tube is made of handblown glass, all metal parts are hand-cast or turned in solid brass.

To the Editor:

As reported in *The Wanderer*, Gary Cunningham, a (vocal minority) member of the Bike Path Study Committee, "expressed his concern that the May 21 vote afforded the Bike Path Study Committee should be used in a constructive and responsible manner to ensure that the interests of the taxpayers are properly represented."

unequivocally stated what their interest is. They have voted on several occasions, with impressive majorities, that they want the land-taking for Phase One of the path to proceed, and no amount of spin by either elected or appointed persons will change that fact. One does not have to wonder what Mr. Cunningham's statement would have been, if the stop the path vote would have been affirmative, or even close. Also, "afforded the Bike Path Study Committee," is incorrect. A small group tried to overturn the funding for Phase One, and were afforded the unsuccessful opportunity, not the committee.

I don't believe that other statements that the "Y" is against the concept of a bike path in Mattapoisett are accurate. On the first Town Meeting, on implementing Phase One of the path, a representative of the local "Y" voted in favor of it.

To the Editor:

At the recent Mattapoisett Town Meeting, the school administration was asked about the allocation of funds and personnel within the escalating school budget. My question was stimulated by the understanding that, in some school systems, an increasing percentage of taxpayer dollars are allocated to administration, overhead, and non-teaching staff, limiting the resources for the classroom experience.

In response to that question, a spokesperson for the administration told the audience that there had been no increase in non-classroom teaching personnel other than teacher aides and a curriculum coordinator. That response was apparently not well received by some teachers, as I had several telephone calls

following the meeting stating that the school administration's information was inaccurate.

As a result of those calls, I reviewed relevant data filed with the Massachusetts Department of Education as well as data provided from the school administration. Those documents do seem to contradict some of the responses from the administration at the town meeting. When asked to comment on the differences between their filings and the statements at Town Meeting, a spokesperson noted that they were "uneasy" about the "consistency" of their filings with the state but apologized "if the numbers (in the filings) are correct."

It is important that the taxpayers and families with children in our schools are given the most accurate information possible about this ever-expanding portion of our town budget. Indeed, we are now faced with a Proposition 2 1/2 override for

the school budget on (Tuesday,) June 18. I asked the school administration to consider correcting their apparent misstatements prior to the vote on June 18 via a Letter to the Editor. As the deadline approaches, it appears that may not happen. Given the need to provide effective and efficient public education — and its relevance to our escalating taxes — perhaps it is time for a more in-depth review of how our education dollars are spent.

Don't blame Wes! We all know that Wes Bowman and the (Mattapoisett) Highway Department do a marvelous job of keeping Veterans Park (Ned's Point) looking beautiful. Any litter is always picked up and the grass nicely trimmed. So don't blame Wes and his crew for moving the light house just because a recent issue of the *Weekly Notice to Mariners* carried new coordinates for Ned's Point Light: Lat. 41 - 39 - 03 N / Long. 70 - 47 - 44 W (*Local Notice to Mariners*, No. 21/02, 05/21/02, p. 12). Second Place quilt. George Vipon has won the quilting books for the Third Place prize.

The three Rochester Selectmen were on hand to do the drawing: Pat Ryan, Naida Parker, and our newest Selectman, Richard Nunes. They each drew a name. It was very exciting.

Captain Gerald Morgan came to the Post Office to accept the \$1,200 check we had prepared. He was out-of-town that weekend. He was very pleased on behalf of the Salvation Army. There is about \$200 more to give them. I have to figure the Raffle Taxes and they will get the remainder after taxes.

I want to thank everyone that helped make this project a complete success. The term *everyone* includes the people who sent in quilt blocks, that took time and love. The people who put the quilts together, you know who you are! The people who took the time to hand quilt each and every block; the people who donated either time or materials or both; and the people who provided the much-needed knowledge to some of the novices.

In the sales department, I would like to recognize the businesses that helped sell tickets. The businesses that sold tickets were Bev Loves Books, Plumb Memorial Library, Rochester Center Bakery, Seaport Village, Perry Farm Patchworks, Continental Deli, The Bookstall, and Hair Unlimited.

Once again, thank you very much for all your dedication. It could not have been done without the group effort we had.

My boss, Al Angelone, was very patient with all of the "quilt talk" at the Post Office window — he was very supportive. Also, thanks to Peter Hodges!

We have purchased 1050 Red 30-minute emergency flares which will be placed approximately 15' apart around the Inner Harbor. The signal to light the flares will be the firing of a rocket flare from the Harbormaster's Office at approximately 9:15 pm. The effect of the flares will be greatly enhanced if homeowners, both along the harbor and away from the shore, turn off their exterior lights and as many interior lights as possible.

To the Editor:

On the weather-perfect Saturday of Memorial Day weekend, I, along with my son, his wife, and two toddlers biked the Fairhaven Bicycle Path. It was a safe, wholesome and delightful experience. I commend the Town of Fairhaven for the well-maintained, first-class bicycle path — even providing benches along the route.

Also enjoying the path were parents pushing carriages, all ages walking and a few of the younger generation roller-blading.

Only at the Fairhaven end did we see a few parked cars. Perhaps most using the path were locals who did not have to drive.

For our children, grandchildren, and great-grandchildren and generations to come, a connecting Mattapoisett Bike Path would be a wonderful ongoing gift from our generation to the next. Please stay with it! Work out the problems. The cost today will be a fraction of the cost in years to come. It's doable!

Can't you hear our descendants praising our foresight just as we appreciate all the public gifts our ancestors gave to us?

Sincerely,
David A. Brossi

To the Editor:

The purpose of this letter is to bring a heightened awareness to voters of Mattapoisett. This concerns the elementary and ORR (override) votes on Tuesday, June 18. This past Sunday's *Standard-Times* article leaves the schools' budget cuts unclear if the overrides do not pass. At the Mattapoisett Town Meeting, the school budget cuts were shown on a projector screen. These cuts primarily target the elementary and ORR Music/ Arts departments — particularly staffing. While the majority of all other town departments received an automatic increase on average of 4 percent, the schools request of 4 percent was shifted to the voters. Thank you to all who allowed this request to pass Town Meeting and allow for it to go to override.

One person there brought up the obvious question of why doesn't the education of our children have the same

DO YOU STILL NEED MORT. INSURANCE?

It's possible that, if you are paying \$15. to \$30. a month for mortgage insurance, that you no longer have to. Mortgage insurance is required by a lender when your down payment is less than 20%.

However, if the equity (the amount of dollars you've paid into the principal) now equals more than 20% of either the original value or the current (if increased) value of your home, there may be no need for you to continue making this monthly payment. Rules for cancellation differ, but all apply to residences occupied by the borrower. Freddie Mac, for ex-

ample, insists on a 7-year wait before an increase in home value will be recognized as a basis for cancelling mortgage insurance.

A federal chartered savings and loan company is required to cancel private mortgage insurance when the loan-to-value ratio falls below 80% of the original appraisal. A national bank has no such law. It may be worth your while to check.

priority? The current administrative design is not fair to the children who will be affected by these program cuts. I encourage the voters of Mattapoisett to take the time to get out and vote for the Elementary and ORR overrides to guarantee that our music and arts programs continue. We are fortunate to have such a very talented group of music teachers and students who have given and should continue to give our town a great deal to be proud of.

To the Editor:

Picture yourself in a crowded public place and someone pulls out a gun to commit a holdup or some other vicious act. Now picture three cowards taking cover and hiding behind a group of school age children to shield themselves from harm's way.

For those who missed the first night of (Mattapoisett's) Annual Town Meeting, you missed learning about how the Mattapoisett Board of Selectmen had manipulated the town's operating budget shortfall into a critical override situation for our schools. The selectmen had deliberately placed nearly the entire school budget increase on the potential chopping block while double-digit and other excessive increases in the budget were highly guarded.

Town officials in Marion should be commended for defining their recent budget shortfall as a "general operating budget override," properly so, when it went to the polls. But in Mattapoisett, our selectmen have chosen to place our schools, alone, on the June 18 override ballot while outrageous spending increases in the police budget, salaries in Town Hall, and other expenses are protected from the voters at the polls. And when the issue was raised at Town Meeting, not one of the selectmen had the marbles to defend their decision.

Does it really come as any surprise that our selectmen would pull this kind of stunt? Of course not. These highly protected parts of the budget would surely fail at the hands of taxpayers at the polls and they know it! Once again, the selectmen have expensed the taxpayers in Mattapoisett to serve those

in their graces.

Voters do need to be reminded that the \$130,000 ORR override is already committed and spent, regardless of the override vote results on June 18. Should it fail at the ballot, the \$130,000 must still be spent due to our obligation with the tri-towns.

Voters also need to know that a failure of this \$130,000 ORR override would force our town officials to find the money elsewhere, most likely from those ridiculous areas of spending they are working so hard to protect.

While many other communities have cut spending and tightened their belts, our town officials and Finance Committee insist on the same old "spend and tax" philosophy. Marion taxpayers voted down their recent operating budget override while other communities made drastic cuts at Town Meeting, unlike Mattapoisett.

Voting responsibly on June 18 will send the clearest message of all, that Mattapoisett taxpayers want an end to excessive spending, the manner in which our town officials manipulate the budget, and sky-rocketing tax bills. Just say *NO* on June 18.

Sincerely,
Daniel L. Goodman Sr.

WILD BABY BIRDS

I found a baby bird on the ground. What should I feed it?

Baby birds are frequently found near their nests. If the bird has no feathers, try to find the nest and put the bird back. If the bird is mobile and feathered, keep dogs and cats away from the area and the mother bird will probably feed and care for it.

I thought that if I touched the bird the mother bird would smell my scent and would reject the baby. That's an old wives' tale as birds have poor senses of smell. Allowing the mother to raise the young increases their chances of survival.

Sippican Woman's Club

As Marion looks forward to a town-wide celebration of the 150th birthday, the tradition of community that has guided the Sippican Woman's Club and enhanced the community continues once again. On July 1 from 5:00 to 8:00 pm, the Sippican Woman's Club, located in Handy's Tavern on Front Street in Marion, will reopen the door and the gardens of the Tavern to the Town of Marion. In celebration of the 150th, members will be pleased to greet guests and invite them to relax in the manner of one-hundred and fifty years ago and enjoy a cool lemonade or libations served by Spirits.

The present Sippican Woman's Club was the amalgamation of a ladies discussion group, founded by Mrs. John Allen in the late 1890s and a group of 12 ladies organized in 1904 by Mrs. C.O. Rundell for the purpose of

social and intellectual improvement. In many ways the club has not strayed from the original intent of the organization, continuing to focus on topics of educational and intellectual interest and community involvement.

In the 1900s funds raised through fairs and rummage sales benefited public health and a nursing association, even housing a clinic and living quarters for the town nurse. Fifty years ago, the first scholarship was presented to a Marion students graduating from Wareham High School.

Today, the club continues to award several scholarships each year to students in Marion furthering their education, through funds raised by the Annual Holiday House Tour sponsored by the club. Although scholarship awards have continued to be the major recipient of the club's community spirit, money has traditionally been donated to a number of philanthropic causes. This year the club has provided the funds to sponsor a Pre-K Yoga Class at Sippican School, as well as donations to local charities, Market Ministries in New Bedford and Damien's Pantry in Wareham.

The club members look forward to welcoming the townsfolk to Handy's Tavern this summer, as it might have appeared in 1812 when the doors of the tavern first opened.

Blue Book Bound

This past week the 2002-2003 edition of the Marion/Mattapoisett/Rochester Telephone Book ("The Blue Book"), published by the Tri-Town League of Women Voters (LWV), was mailed to every postal patron in the three towns and to the book's advertisers and supporters. Anyone who has not received a copy should first check at the Post Office and then with The Bookstall in Marion, Blossoms in Mattapoisett, or Movies & More in Rochester. All those stores have agreed to be a repository for the League's limited number of extra copies and will supply one at no charge.

The LWV extends its thanks to the Marion, Mattapoisett and Rochester Post Office staffs who every year are so helpful in this massive distribution. It also wishes to remind tri-town residents that it is the phone book advertisers who make possible this book and all the

The monies raised all go to support the Library's Special Projects. The Friends are accepting hard and soft cover books, paperbacks, books on tape, large print, children's books, "how to" books — the whole spectrum of book publishing — that are in readable/reasonable/good shape. Marion Art Center

Art in Bloom

"Art in Bloom" opens at the Marion Art Center on Friday, June 14 with a reception from 6:00 to 8:00 pm to meet the members of the Marion Garden Discussion Group who will create floral interpretations of the paintings on exhibition in both galleries. Watercolors by Geri Smith and oil paintings by Rowena Perkins are now on display through June 26.

The floral arrangements will be available for viewing Friday evening and again on Saturday, June 15 from 10:00 am to 2:00 pm. Because of the nature of fresh flowers, this ephemeral installation only exists for a short time. The Marion Art Center is located on the corner of Main and Pleasant Streets and is open to the public Tuesday through Friday, 1:00 to 5:00 pm. Admission is FREE.

Annie Jr. Musical

Reservations are now being accepted for the Marion Art Center's Junior Musical Theater presentation of "Annie." The show is directed by Anne Schenck with musical direction by Kymberly Ashley and pianist Elaine Cronin.

The cast features Lindsey Barrington in the title role with Emily Kistler, K-Leigh Solomini, Holly Stickles, Alicia LaRock, Ashley Worrell, Allison Camarata, and Jennifer Bergeron as orphans. Sarah Stickles plays Grace Farrell and Briana Hogan is Miss Hannigan. The conniving Rooster and Fly are played by Brittany Severance and Mariel Gonsalves. A special guest appearance by Gary Taylor as Daddy Warbucks rounds out the group.

All seats are \$10 and reservations are strongly recommended as seating is limited for this popular show. Please call the Marion Art Center at (508) 748-1266.

Exhibition Committee

The Exhibition Committee of the Marion Art Center will meet on Tuesday, June 18 at 4:00 pm. Artists wishing to be considered for a show in 2003, 2004 should submit a body of work on slides to: Marion Art Center, P.O. Box 602, Marion, MA 02738, or they may bring six framed pieces for review on the day of the meeting. For more information, please call 508-748-1266.

Painting Exhibition

An exhibition of recent paintings is now on display at the Marion Art Center featuring artists Geri Smith and Rowena Perkins.

Rowena Perkins has been living and working on Cape Cod since 1990, after she received a Bachelor of Fine Arts degree from Montserrat College of Art in Beverly, MA. She works primarily in oils, with monotype, watercolor and woodblock printing as an accompaniment. Her work has been shown in galleries and other public venues and is included in private collections. The paintings are inspired by the natural beauty of where she lives and her travels. The result is a combination of seeing and feeling, focusing attention on the subjective interest of the painting. "I work from life and use photographs when necessary along with drawings and other reference material," Ms. Perkins said. "My goal is not to represent the things I paint realistically, but to implement the life of the idea that I have and bring that life into the painting ... color is very important to me."

Geri Smith has a degree in Business Administration from Merrimack College and an Arts Studio degree from the University of Maryland. She has concentrated on watercolors for the past 20 years. Previously, she worked in oils, acrylics, and designed batik clothing. She also painted commissioned indoor and outdoor *trompe l'oeil* murals throughout the Washington, DC area. She taught watercolor painting at the University of Maryland for 13 years and most recently teaches at the Montgomery County Maryland Adult Education program.

Geri has exhibited at Strathmore Gallery in Bethesda, the University of Maryland Gallery, the Petite Gallerie in Annapolis, and at several galleries on the outer banks of North Carolina. She is currently represented by the New Castle Arts Gallery in Delaware.

The two-woman show will be on display at the Marion Art Center through June 26. Gallery hours are Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. Admission is FREE. The Arts Center is located at the corner of Main and Pleasant Streets near the Marion Town House. For more information, please call 508-748-1266.

MOVIE REVIEW

Designing Women

By Rob Gonsalves
<http://robsreviews.cjb.net>

Divine Secrets of the Ya-Ya Sisterhood. Starring Sandra Bullock, Ellen Burstyn, and Ashley Judd. Directed by Callie Khouri. Running time: 116 minutes. MPAA rating: PG-13. At AMC Cinema 12 at the North Dartmouth Mall and Flagship Cinemas in New Bedford.

You hear something in the audience for *Divine Secrets of the Ya-Ya Sisterhood* you don't hear often any more: the sound of middle-aged women laughing. In the summer of spider-men and Jedi knights, this movie strides in with a confident air of experience and estrogen. I may not have known it, but I was *really* ready for a movie like this one. It is determinedly not aimed at my segment of the audience, which made it all the more refreshing to me. Maybe, too, I usually don't bother with material like this — which generally sinks to the level of "Lifetime, the Network for Women" — and here it's done smartly and solidly for once.

The movie is taken from two cult-popular novels by Rebecca Wells, the same-named 1996 book and its 1992 predecessor *Little Altars Everywhere*. I've sampled enough of the former to know that the movie gets Wells' life-is-crazy-but-what's-the-alternative? tone of whimsy and forbearance. Callie Khouri, who won the hearts of many female moviegoers eleven summers ago with her Oscar-winning script for *Thelma & Louise*, has eased into her first directing job with material that seems to fit her perfectly. Khouri understands and loves Southern women, their particular madnnesses and glories. Wells gives her the tools she needs to make a multi-generational women's mini-epic that never lapses into victimology.

Sandra Bullock, alert and snappish, is Siddalee Walker, a New York theater director beginning to get recognition. Thus begins her trouble: In an interview with *Time*, Siddalee lets slip that her childhood with her mercurial mom — played in twilight by Ellen Burstyn and in early adulthood by Ashley Judd — was often bumpy enough to "help her creativity." Vivi, the mother, goes ballistic when she reads the article; her best friends — Caro (Maggie Smith), Teensy (Fionnula Flanagan), and Necie (Shirley Knight), with whom Vivi formed the Ya-Ya Sisterhood in girlhood — come to the rescue. They spirit Siddalee away from New York and home to Louisiana, using a tactic insane enough to be almost plausible. Their plan is to fill Siddalee in on who her mother was and why she did what she did.

The revelations come at an unhurried pace. If you enjoy watching the veteran actresses — and Bullock flowering in their presence — as much as I did, you won't want them to hurry. Khouri sets a comfortable stage for her performers and gets out of their way. She's exceedingly gentle with the men in the cast — James Garner as Vivi's long-suffering husband Shep, Angus Macfadyen as Siddalee's equally patient fiancé — which should blow away any lingering perception of Khouri as a man-basher (everyone seems to forget that Harvey Keitel's cop was the sanest character in *Thelma & Louise*). And Ashley Judd, for whom I've traditionally had little use as an actress — she usually comes off as too hard, glossy, actressy — comes through as the impetuous, gradually unstable younger Vivi. She nails a wordless, almost expressionless scene of self-loathing in front of a mirror; she makes us feel Vivi's helpless rage when all three of her kids get sick at once.

Movies like this have to end with tearful mother-daughter reconciliations and a final scene where family and friends gather for a rip-roaring celebration. *Divine Secrets* earns the sniffles and laughs it gets at the end. In outline, this isn't a lot different from what you might see on Lifetime. In execution, it's a fine piece of work about women who go back decades and who know each other better than they know themselves, and about the unhappy younger woman whom three of the women embrace as if she were their own blood. Which, in a way, she is. *Divine Secrets* covers most of the women's-weepie bases without pushing too much. *Unfaithful*, *About a Boy*, *Insomnia*, and now this — moviegoers uninterested in special effects and power fantasies have at least had some workable alternatives this summer. Let's enjoy them while they last, shall we?

Fairhaven Millicent Library

Lisa Howard, Youth Services Librarian at the Millicent Library in Fairhaven, recently completed the finishing touches on the Summer Reading Program.

"We start planning our Summer Reading Program in the fall and submit our grants by winter," she said. "Before you know it, summer is around the corner and the registration lines begin."

Registration for the Summer Reading Program is scheduled for June 17-22.

"This program is intended for young people, ages 0 to 14," Ms. Howard added. "It includes readers in the read-to-me category as well as independent readers."

Participants in the six-week program will receive a certificate signed by the governor. The library will also provide stickers, pencils, bookmarks, and coupons as incentives for the children.

"A Star Spangled Summer" is the theme for the statewide program this year. The goal is to read a minimum of one hour per week for six weeks. The children will keep track of their time and progress in a reading log that will be distributed upon registration. A registration card held at the library will be stamped after each reading hour.

The library will continue its summer entertainment series on Wednesday at 10:00 am. The series starts June 26 with a visit from Jackson Gillman, the Stand-Up Chameleon.

On July 3, storyteller Diane Edgecomb and Celtic harper Margot Chamberlain will share Irish folk and fairy tales.

On July 10, Jon Stetson is back with a magic show (location to be announced).

On July 17, the library will receive a visit from a fire engine from the Fairhaven Fire Department.

On July 24, Sparky's Puppets will offer a fun-loving and comic puppet show.

On July 31, Daisy D. Dots the Clown will show why you don't need to be afraid of clowns.

The series will culminate with the 18th Annual Teddy Bear Parade on August 7.

All of the events are FREE. Jackson Gillman's and Diane Edgecomb's performances are supported, in part, by a grant from the Fairhaven Cultural Council, a local

ORR Junior High Students Show Talent

On Thursday, May 30, Old Rochester Regional Junior High School held its Fifth Annual Talent Show produced by Rick Regan and Roger Botelho. The "NOW ... That's What I Call Talent ... 2K2" show emceed by Jeanne Duggan and a very entertaining Gordon Ellms was a great success. The show consisted of 17 acts performed by students and teachers. Act 1 featured a very talented Mrs. Lafleur singing "Let's Get Your Homework Started" but was quickly overtaken by her "class" who sang and danced to "Let's Get This Party Started." Her "class" was played by Kaylin Cruz, Kendra Evangelho, Jen Lennon, Melissa Rigby, and Kristen Sylvia.

Act 2 was headlined as a Stand-Up Comedy Act with Jordan Cote (who actually sat down). Jordan hilariously described those dreadful visits with the dentist. Rebecca Davis and Steven Faulkner kept the crowd laughing with their act "I Love Rocky Road" (Al Yankovich's parody of "I Love Rock 'N' Roll"). True talent was displayed in Act 4 by Nick DiSalvo (bass guitar), Andrew King (lead guitar), and Brennan Walsh (drums and vocals) as they performed "No Jazz." Carly Suzan followed, beautifully singing "You're Still the One." Act 6 got the crowd moving again with their fast-paced, creatively choreographed dance to a mix of hit songs. Performing in this all-seventh-grade dance were: Jessica Arsenault, Alicia Barroso, Taylor Crowley, Kate Davis, Bridget Halligan, Maura Jones, Tara LePage, Kyle MacDonald, Kayla Reusch, Stephanie Reusch, Danielle Robbins, and Sarah Sullivan.

Act 7 was the definition of "talent." Tiffany Rozenas played what seemed to be difficult Irish Fiddle Music flawlessly. Mr. John Ashley, Mr. Jim Farmer, and Mr. Rory McFee played a perfect rendition of "Take It Easy" in Act 8 (which the very funny Gordon Ellms pointed out is played by The Eagles, a band only the parents attending would remember). Joel Lombard confi-

dently sang "I Swear" in Act 9. The next act featured Jen Babineau and Nancy Mitchell performing their karate talents to "Don't Let Me Get Me." Zoe Bigelow entered the stage with a back-hand-spring and sang "Soakin' Up the Sun" in Act 11, getting everyone in the mood for summer. Act 12, emceed by a really "cool" Jeff Rousseau, was a funny skit featuring Nick Bateman, Mrs. Tanya Champagne, Mrs. Maureen Chamberlain, Ms. Kerri Duff, and Mrs. Danielle Todd as Britney Spears Wannabes. They had a dance competition to woo the heart of Justin Timberlake (played by Colin Butterfield). Only their efforts were wasted when Christina Aguilera (played by Kyle MacDonald) got on stage and walked off with Justin.

Beautiful singing followed in Act 13 with Arielle Sabra who sang "Blessed." Yahira Robles Ferro and Chelsea Gilbert got the place rockin' again with their hip dance routine to "Take Ya Home" in Act 14. Stasia Sullivan wowed the crowd with her brilliant and sassy performance of "That Don't Impress Me Much" in Act 15. In Act 16, "Don't Think Twice" was played on guitar and sung by a talented Ben Carter. Act 17 "brought down the house" (as the saying goes)! The much-anticipated "The Best of Popography - The Real Nasty DL Remix" was a superbly choreographed and perfectly performed act put together by Rick Regan. This act was nothing short of awesome! Performing in this fabulous act were: Kim Alves, Michelle Behan, Amy Biever, Aileen Brown, Carley Caldas, Brittany Church, Erika Clancy, Kaitlyn Elias, Ellen Faulise, Tracey Garlington, Julie Gauvin, Britta Gingras, Sadie Hagberg, Katie Jones, Caroline Kostyla, Robin Lash, Rachel LaVallee, Marielle McCarthy, Alicia Norton, Kate O'Brien, Carolyn Rogers, Kateri Shockro, Devin Smith, Kate Stroud, Amanda Tower, Jared Whitcomb, Spencer Zahn, and Rick Regan.

The night ended with awards given to the top three finishers chosen by the judges (any act with a teacher was not eligible). First Prize (\$100) went to **Stasia Sullivan**; Second Prize (\$50) went to **Rebecca Davis** and **Steven Faulkner**; Third Prize (\$25) went to **Arielle Sabra**. Be sure to check your local public access cable station for dates and times when the show will be aired.

its best," we are going to have to learn how to lead and how to follow. Dads, this is especially a relevant topic for you on Father's Day. Find out how you can be the kind of leader your children need and the kind of leader God made you to be.

At South Coast Community Church their motto is "People Matter To God." God really does have a wonderful plan for our lives and Sunday mornings at SCCC are designed to help you explore the difference a relationship with Christ can make. If you attend one of our services you'll hear a practical message from the Bible, listen to some upbeat contemporary Christian music, watch a drama, comedy skit or video clip that relates to the morning's topic, and enjoy a good cup of coffee. If you have kids infant through sixth grade they can stop in at South Coast Kids and have a great time learning about God at their own level. They meet 10:00 am on Sunday mornings at Sippican School in Marion. For more information and directions see their website at www.southcoastcommunitychurch.org or call Pastor Gary Taylor at 508-748-3200.

Fairhaven Spirituality Group

This summer Mary Wilson, art historian and parishioner at the Church of the Good Shepherd in Fairhaven, will present a six-week small group looking at the articles of the Christian faith in art. The kickoff event, a service focusing on the Nicene Creed with art presentation to follow, is at 10:00 am on Sunday, June 16 at the church. The Reverend Beth Maynard, Rector at the Episcopal church, will preach on "What's the Reason for Creeds?" and the Praise Choir will sing a paraphrase of the Creed, "I Believe in God the Father."

The small group, which is open to anyone, begins Sunday, June 23 and runs from 7:00 to 8:30 pm in the parish hall. Participants may come to all sessions or as many as is convenient. The group concludes the last Sunday in July. Each meeting will discuss images of different sections of the Creed and allow participants to discuss how the Creed interfaces with their own faith. For more information, please call the church at 508-992-2281.

SCORPIO (October 23 to November 21) Although your financial situation starts to improve this week, you still need to be cautious about money matters. Avoid major obligations, for now.

SAGITTARIUS (November 22 to December 21) Your overall aspects continue to brighten, allowing you to tackle long-deferred challenges. A change in travel plans could work to your benefit.

CAPRICORN (December 22 to January 19) Things seem to be slowing down for the usually restless Sea Goat. But wouldn't a bit of respite be just what you need right now? Activity picks up by June 17.

AQUARIUS (January 20 to February 18) Personal relationships take a positive turn for both married and single Aquarians. Professional commitments, however, could be complicated by newly emerging events.

ORR Class of 1964 Reunion

Mark your calendars for the second annual ORR Class of 1964 mini-reunion to be held at Ned's Point Lighthouse Park in Mattapoisett on July 6, 2002. Plan to arrive between 12:00 noon and 1:00 pm, rain or shine and bring your own picnic supplies and chairs. Last year's gathering was a great success. Thanks to Classmates.com on the internet and word of mouth many "missing" classmates have been found (many from out of state) who have said they will be coming. Don't miss this opportunity to renew old friendships and be sure to bring your spouses or significant others.

GREAT GIFTS
FOR FATHER'S DAY

GREAT GRILL BUYS!!

"It really Works"

**IF YOU HAVE A BACKYARD.
IF YOU HAVE A POOL.
IF YOU HAVE A DECK.
YOU NEED A
MOSQUITO MAGNET.**

Used by the USDA, proven by the Coast Guard, the Mosquito Magnet "virtually eliminates blood-sucking insects without pesticides."

This is the only insect abatement system written about in the New York Times and Wall Street Journal. Developed in consultation with the U.S. Center for Disease Control, the Mosquito Magnet is the only proven method for eliminating mosquitoes, no-see-ums, and black flies.

The Mosquito Magnet emits a warm, meat plume of carbon dioxide that mimics the carbon dioxide breath of humans, which is what attracts insects to bite humans. The insects are drawn from within a one-half acre area to the Mosquito Magnet, where they are vacuumed into a net to die within 24 hours. In six to eight weeks, practically the entire population collapses as egg-laying females are discouraged. No eggs. No insects.

Powered by a 20lb. propane tank which generates its own electricity and carbon dioxide, the Mosquito Magnet is ideal for backyards, wide-front porches and woodrunt areas. Camp only portable. There is no need for electric by the Mosquito Magnet is placed near the breeding site of the insects, which traps them at their source, and keeps them away from you.

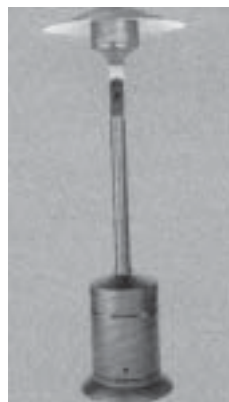

The Mosquito Magnet is on duty 24 hours a day - continuously attracting and trapping biting insects so that you can enjoy your outdoor life again.
